BHARGAV PANDYA

ABOUT ME

I am an enthusiastic and dedicated full-stack developer with a solid foundation in web development technologies, including HTML, CSS, and JavaScript. With hands-on experience using React for front-end development and Node.js for the back-end, I can build responsive and scalable web applications from start to finish. My training includes managing data with databases like MongoDB, and I'm comfortable using tools like Git for version control.

EDUCATION

Ssc - Ram Krishna vidhya Bhavan - 2020

Hsc - jay Ambe Group of School - 2022
